

Main Toolbar

Main Toolbar: Help

The **Help** icon brings up a short menu allowing access to the following options: the Quick Start Guide, the User Manual, the FAQ page, Contact Technical Support and Legal Notices.

When writing to us to report a bug or an unexpected behavior by the system, please include as much detail as possible. Information we need to resolve your issue includes, but is not limited to:

- Your name
- Your organization
- The URL of your Delta installation
- The task you were performing when the issue appeared
- The result your expected from the task
- The details of the actual occurrence of the issue
- Screenshots, if available
- Your device, operating system, and browser/agent

For more details on this knowledgebase system, please refer to this article.

Consult your **Service Level Agreement (SLA)** for your terms of service regarding technical support.
