Portfolio: Projects View

The default Portfolio view on the home page is **Projects**. This screen displays all the projects in the portfolio, and contains several other functions.

The screenshot shows the Delta Project Portfolio interface. At the top, there's a navigation bar with the Delta logo, 'PROJECT PORTFOLIO' title, and user icons. Below this, a 'Projects' tab is highlighted in a red box. The main area displays a grid of project tiles. Each tile includes a project name, a status indicator (e.g., 'Active 38'), a progress bar, and a 'See More' link. The projects shown are: 'DEMO - Projet de Lutte contre les Conflits Paysans-Éleveurs (DEMO)', 'WatSan - Water and Sanitation Project', 'PSNDD-BEN - Projet Solutions numériques pour le développement durable pour le Bénin', 'PT-SN - Projet de télécommunications au Sénégal', 'PED-SN - Projet d'éducation au Sénégal', and 'POISS - Projet Développement Intégré des services de santé'. A sidebar on the left contains navigation links like Home, Settings, Proj. Mgmt, Log frame, Data Collect, Dashboards, Learning, and Admin. At the bottom, it shows 'Currently Connected: 1 User' and 'Copyright DELTA Monitoring & Evaluation ©'.

The top of the screen displays at-a-glance status information on the status of the projects in the portfolio.

In addition to [Filters and Search](#), this screen contains a **View** toggle which switches between Tile and List views.

This screenshot shows the same Delta Project Portfolio interface but in List mode. The 'Projects' tab is still highlighted. The main area now displays a table of projects. The table has columns for PROJECT, SECTOR, START DATE, FINANCING SOURCE, AMOUNT, CURRENCY, and STATUS. The projects listed are: DEMO - Projet de Lutte contre les Conflits Paysans-Éleveurs (DEMO), WatSan - Water and Sanitation Project, PSNDD-BEN - Projet Solutions numériques pour le développement durable pour le Bénin, PT-SN - Projet de télécommunications au Sénégal, PED-SN - Projet d'éducation au Sénégal, POISS - Projet Développement Intégré des services de santé, PCAII-SN - Projet de crédit agricole au Sénégal, and PRIIR-SN - Projet de Renforcement des Infrastructures Routières au Sénégal. The sidebar and footer are identical to the previous screenshot.
