To **edit a funding source**, click its Edit icon. **NOTE:** you **cannot** edit the Financing Agreement field for the Financing Source once you've saved it.

Project Settings

To **delete a funding source**, click its Delete icon and confirm the deletion.

NOTE: The [default base currency](#) is set at the Portfolio level. The exchange rate entered in the Funding Sources popup window is a snapshot; live rates are not available. A suggested best practice is to revisit the rate quarterly, or at the same intervals as data collection, in order to ensure the financials are as accurate as possible.
