

Project Dashboards

Project Home Page: Custom Analytics Dashboards

Delta supports the creation of **shortcuts** to custom reports. If you create custom dashboards in the Dashboards module and mark them with a star to favorite them, new tabs with the names of the dashboards will appear next to the Map tab. Click each tab to view the corresponding dashboard.

The screenshot shows the Delta Project Home Page for the 'Water and Sanitation Project'. The left sidebar contains navigation icons for Home, Settings, Proj. Mgmt, Log frame, Data Collect, Dashboards (highlighted), Learning, and Admin. The main content area is titled 'Dashboards' and features a search bar, a 'Display all Dashboards' toggle, and two sections: 'My Favorite Dashboards' and 'My Dashboards'. The 'My Favorite Dashboards' section lists 'Project Dashboard', 'Activity Dashboard', 'Indicator Dashboard', 'Test Dashboard' (with a star icon and a red arrow pointing to it), and 'Budget Dashboard'. The 'My Dashboards' section lists 'Sample' and 'Table Report Example - Budget by Activities'. The bottom status bar indicates 'Currently Connected: 1 User' and 'Copyright DELTA Monitoring & Evaluation ©'.

Water and Sanitation Project
